16. My manager told me I must become a member of the Board. Can they/them/their require this?

Yes. Although antitrust law prohibits the Board from imposing a rule or policy that requires a licensee to hold membership in the Board, a Principal Broker and/or Chief Appraiser may require licensees who work for they/them/their firm to hold membership in the Board as a condition of association with the company. Many managers include this requirement as part of their written independent contractor agreements.

17. I do not wish to continue as a member of the Board and have notified my Principal Broker and/or Chief Appraiser. I will continue to be a licensee of they/them/their office but won't be a REALTOR®. What impact does this have on him and his office?

Under NAR's membership dues formula, the Designated REALTOR® (Principal Broker and/or Chief Appraiser) pays dues based on they/them/their membership plus an assessment for each licensee that is employed by or associated with the firm who is not a member of the Board. Therefore, they/them/their will receive a non-member dues invoice for you as they/them/their licensee and they/them/their will be required to pay this fee. Further, the membership dues formula allows they/them/their to seek a reimbursement from you for this expense.

18. My Designated REALTOR® (which is the Principal Broker and/or Chief Appraiser of the office) does not plan to renew they/them/their membership. Does this affect my membership in the Board?

Yes, the Principal of the firm must hold REALTOR® membership in the Board in order for sales, broker or appraisal licensees who are associated with the firm to hold membership.

19. Are dues and fees refundable?

No. If you know that you will not be continuing to practice as a real estate or appraisal licensee in 2021 or are transferring to a non-REALTOR® office, please notify the Board immediately in writing. Send an email to nribr@nrirealtors.org.

20. I recently became a new member and paid dues at that time. Wasn't that for 12 months from date of application?

When you joined earlier this year, you paid prorated dues based on the date your license became affiliated with the office you are with. You also paid a new member application fee. The dues and application fee were for 2020. Your 2021 renewal represents your membership dues for 1/1/21 – 12/31/21 and are payable in advance per the Board's Bylaws, Article X, Section 3.

21. I am a licensed assistant and do not actively list, sell or appraise. Am I still required to pay dues?

When your Designated REALTOR® (Principal Broker and/or Chief Appraiser) joined the REALTOR® Association, they/them/their agreed that all licensees would be invited to join as well. There are no exceptions for licensed assistants.

22. I only work part-time and will be out of state for several months this year. Can I pay prorated dues?

Membership is based on the real estate or appraisal licensees who hang their license in a member office. While you may not be practicing for a certain period of time, if your license remains in an active status in a member office, the full annual membership dues amount applies.

23. I may be transferring to another office soon. Do I still have to pay dues?

Yes. If you are transferring from one NRIBR office to another, your membership dues are transferable if the new office you are joining belongs to NRIBR. You can search our membership directory on www.nribr.realtor. If you are transferring to an office that is a member of another Rhode Island REALTOR® Board, typically only the State and National portions of your dues will be transferable. Note that your membership and dues cannot be transferred to a non-REALTOR® office.
